Rich,

Here it is with my edits. The only major things were I added page numbers and suggested the removal of one comment. The remainder we mainly editorial.

Thanks,
Bob W.

I have made some revisions to the detailed comments attachment. Sorry it is not in redline, but it would have looked too messy. I have not polished the document to make sure all of the comment numbering is correct. I will try to do that next. Please just read and identify any big things you think need to be changed.

Thanks
